PROFESSIONAL SUMMARY

Computer Science and Engineering graduate pursuing the Generative AI for Freshers program at TestLeaf, with hands-on practice in Large Language Models (LLMs), Prompt Engineering and Python. Designed a generative AI chatbot concept and a resume-assistance use case using structured prompts that produce relevant, well-organized responses. Seeking an entry-level Generative AI role to apply these skills to real-world projects.

TECHNICAL SKILLS

Programming & Data: Python (Basic), SQL (Basic)
AI / ML: Generative AI Fundamentals, Machine Learning Fundamentals, Supervised and Unsupervised Learning, Large Language Models (LLMs)
Generative AI: Prompt Engineering, Prompt Development, Prompt Optimization, AI Applications
Tools: Microsoft Excel

INTERNSHIP

Generative AI Intern | TestLeaf **Sep - Dec 2026**

- Developed AI applications using Python, Generative AI, RAG, Prompt Engineering, and LangFlow.
- Built a RAG-based chatbot for answering questions from uploaded documents using embeddings and LLMs.
- Created an AI Resume Assistant to analyze resumes and provide useful feedback using prompt engineering.
- Designed AI workflows in LangFlow for document processing, text splitting, embeddings, retrieval, and LLM responses.
- Tested and improved prompts and AI workflows to generate accurate and relevant responses.

PROJECTS

AI Chatbot
Technologies: Generative AI, LLM, Prompt Engineering

- Designed a Generative AI chatbot concept to help users get answers to their queries.
- Wrote structured prompts to produce relevant, context-appropriate responses.
- Applied LLM and Prompt Engineering fundamentals to shape chatbot behavior.

Resume Assistance Using Generative AI
Technologies: Generative AI, LLM, Prompt Engineering

- Explored how Generative AI can help create and improve resumes.
- Wrote prompts to generate and improve resume content.
- Applied Prompt Engineering techniques to get structured, relevant output.

EDUCATION

B.E., Computer Science Engineering **Jun 2021 - May 2025**
Arunai Engineering College, Tiruvannamalai | CGPA: 7.4 / 10

CERTIFICATIONS

- Web Development | Udemy Dec 2025
- Data Analytics | Besant Technologies Dec 2025

CORE STRENGTHS

Problem Solving, Quick Learning, Communication, Teamwork, Adaptability, Time Management
